

Stylish, weather resistant, rugged outdoor furniture made from recycled plastics. Built to last and Made In The USA!!

Eco Friendly - Made from recycled Plastics

Our line of Eco-Leisure furniture combines durability, style and comfort into one beautiful package. All of our Eco-Leisure furniture is built from nonporous "plastic lumber"; a durable product made from recycled plastic milk jugs that is resistant to weather and termites. Perfect for the poolside, patio, lawn or even the sand, all of our Eco-Leisure lawn and patio furniture pieces also require little maintenance other than a quick rub-down with soap and water. Over 12 different pieces available in 2 different styles and up to 7 different color combinations. Get yours today!

- Rocker, Glider, Double Glider, Ottoman & Swing available in Fanback and Bentback along with 22" round End Table & Coffee Table (in Cedar and Weathered) to compliment any combination!
- 42" Inlay Table, Side Chair, 42" Pub Table, Pub Chair and other Specialty Items available by visiting our showroom at 200 Ethan Allen Drive in Spruce Pine, North Carolina.
- We're open 8-5 Monday through Friday.
